

April 27, 2017

Dear

Humberside will be celebrating its 125th Anniversary on the weekend of October 20th and 21st. The school will be commemorating this exciting milestone with a weekend Open House. There will be many events to enjoy including a Welcome Ceremony, a Musical Evening featuring an Alumni Choir, Decade Memory Rooms, Art and Music displays, Sports Events, and a Pub Night. The weekend events are designed for the current Humberside community, alumni, staff and friends to join together to celebrate the spirit of Humberside.

Humberside is home to a mural painted by Arthur Lismer one of the famous Group of Seven artists. The Assembly Hall, now called Lismer Hall, has undergone a partial rejuvenation that includes new carpeting and curtains. Currently the seats in the hall are being refurbished.

Not only is this weekend an event to celebrate Humberside's long history, it is also a fundraiser to complete the rejuvenation of Lismer Hall, enlarge the Scholarship Fund, provide professional help to work on the valuable artifacts in our Archives and help fund a historical retrospective of the school and community.

Your sponsorship of the 125th Anniversary is an important part of this fundraising initiative. Your donation to Friends of Humberside will go to HCI, which will direct the funds to be used for the 125th Anniversary celebration, providing the Humberside Collegiate Alumni Association with seed funding for the Anniversary weekend and helping to enable our fundraising initiatives. All proceeds from the 125th Anniversary celebration will benefit the school.

There are several levels of sponsorship available. Please see the attached sheet to determine the level at which you are most comfortable.

We appreciate your support.

Regards,
Humberside Collegiate Alumni Association
